The Procedure for considering Applications

The conduct of the meeting is at the discretion of the Chair. According to the number of items to be considered, the Chair will strictly control the time for speakers wishing to address the Committee.

Any additional material (i.e. photographs, dioramas' etc.) not previously submitted to Planning Officers that you wish to draw to the attention of the Committee must be submitted no less than two working days before the meeting to the Committee Services Officer at committees@royalgreenwich.gov.uk

Any documentation received after this deadline, including at the meeting, will not be accepted. This deadline is to allow sufficient time to scrutinise any additional information and for it to be presented to Members.

At the start of the meeting the Chair will summarise the procedure to be followed and announce that anyone wishing to address the Committee should give the Corporate Governance Officer their names, as if they are not included on the list they will not be permitted to speak.

- 1 Council Officers will introduce each item, outlining Officers' recommendations on the matter, and answer any questions from the Committee. The Chair will then invite members of the public on the list to come to the table and address the Committee.
2. Both objectors to and supporters of an application, including amenity societies will be invited to address the Committee. The Chair has indicated that the following times will generally be allocated to speakers on any one application. The Chair may vary the time available, e.g. where there is a significant number of speakers or where there is a repetition or non-planning matters are being raised.
 - Individuals – up to two minutes each
 - Organised groups – up to four minutes each
 - Elected representatives (MPs and Councillors) – up to five minutes each
 - Applicant – up to 10 minutes

3. Comments should be confined to planning matters and the public will be advised to include everything they wish to say in one contribution, as normally no further opportunity will arise. It must be noted that only relevant planning considerations can be taken into account when considering planning applications (see 'determining planning applications' for details).
4. Members of the Committee may wish to ask questions. The speaker should return to the public seating area. There will be no further input or interruption from members of the public.
5. The Applicant and or their representatives will be invited to address the Committee, once all other parties have spoken, in order to respond to any points raised by previous speakers or Members.
6. The public will be able to listen to the Councillors' discussing the item and coming to a decision. The Chair will then announce the decision.
