

# **COUNCIL**

**26 FEBRUARY 2020**

## **Proposed Conservative Group Amendment to Item No. 16 - Council Size from 2022**

Add the following additional recommendation under 'Decision required':

- 1.5. To express the Council's wish that future consideration should be given to containing any additional cost to the taxpayer that may result from the Boundary Commission's recommendations, within the existing budget for members allowances.

Add the following additional option under 'Options available':

- 4.7. Express the Council's wish that future consideration should be given to containing any additional cost to the taxpayer that may result from the Boundary Commission's recommendations, within the existing budget for members allowances.

Add the following paragraph under 'Preferred Option':

- 5.4. To express the Council's wish that future consideration should be given to containing any additional cost to the taxpayer that may result from the Boundary Commission's recommendations, within the existing budget for members allowances.
