### **Terms of Reference**

Planning Board is responsible for the implementation across the Borough, and overall co-ordination of the Council's planning functions and in this respect the Board is the 'parent body' of Area Planning Committees which will deal with individual, non-strategic planning applications.

To determine all planning applications which are considered to be strategic. *(The Director of Regeneration, Enterprise and Skills has delegated authority, in consultation with the Chief Executive and Leader of the Council to determine in each individual case whether a matter is strategic and therefore falls to be considered by the Board).*

To determine non-strategic planning applications where the Director of Regeneration, Enterprise and Skills, in consultation with the Head of Law and Governance, Leader of the Council and the Chair of Planning, considers it would be in the best interests of the Authority for the matter to be determined by the Board rather than the relevant Area Planning Committee.

## **Determining planning applications**

When determining planning applications and related matters Council Officers and Councillors must adhere to important principles set out in legislation and Central Government Guidance.

Applications shall be determined in accordance with the Development Plan unless material considerations indicate otherwise. (Section 38A, Planning and Compulsory Purchase Act, 2004). The development plan comprises the Royal Greenwich Local Plan: Core Strategy with Detailed Policies 2014 and the Spatial Development Strategy for Greater London.

The Key Principles of which are:

- If there are other material considerations, the Core Strategy is the starting point and other considerations weighed up against it.
- Where the Core Strategy is not relevant or there are policy conflicts, the application must be treated on its merits.

## **Material Planning Considerations include;**

- Statutory provisions contained in Planning Acts and Statutory Regulations and Planning Case Law.
- Central Government planning policy and advice as contained in Circulars, The **National Planning Policy Framework (NPPF)** and **National Planning Policy Guidance (NPPG)**.
- Planning Briefs and other Supplementary Planning Guidance, e.g. Home Extension Guidelines.
- Site specific issues such as availability of infrastructure, density, car parking.
- Environmental effects such as effect on light, noise, overlooking, effect on the street scene.
- The need to preserve or enhance the Special Character or appearance of Conservation Areas and protect Listed Buildings.
- Previous planning decisions, including appeals.
- Desire to retain and promote certain uses.

## **Matters that must not be taken into account when determining planning applications include**

- Moral and religious issues.
- Unfair competition.
- Breach of private covenants or other property rights.
- Devaluation of property.
- Protection of a private view.
- Identity of an applicant or occupier.

## **The Procedure for considering Applications**

The conduct of the meeting is at the discretion of the Chair. According to the number of items to be considered, the Chair will strictly control the time for speakers wishing to address the Board.

At the start of the meeting the Chair will summarise the procedure to be followed and announce that anyone wishing to address the Board should give the Corporate Governance Officer their names, as if they are not included on the list they will not be permitted to speak.

- 1 Council Officers will introduce each item, outlining Officers' recommendations on the matter, and answer any questions from the Board Members. The Chair will then invite members of the public on the list to come to the table and address the Board.
2. Both objectors to and supporters of an application, including amenity societies will be invited to address the Board. The Chair has indicated that the following times will generally be allocated to speakers on any one application. **The Chair may vary the time available**, e.g. where there is a significant number of speakers or where there is a repetition or non-planning matters are being raised.
  - Individuals – up to two minutes each
  - Organised groups – up to four minutes each
  - Elected representatives (MPs and Councillors) – up to five minutes each
  - Applicant – up to 10 minutes

3. Comments should be confined to planning matters and the public will be advised to include everything they wish to say in one contribution, as normally no further opportunity will arise. It must be noted that only relevant planning considerations can be taken into account when considering planning applications (see 'determining planning applications' for details).
4. Members of the Board may wish to ask questions. The speaker should return to the public seating area. There will be no further input or interruption from members of the public.
5. The Applicant and or their representatives will be invited to address the Board, once all other parties have spoken, in order to respond to any points raised by previous speakers or Members.
6. The public will be able to listen to the Councillors discussing the item and coming to a decision. The Chair will then announce the decision.
