Subject: Licensing app for 1/2 Stockwell St

I note the Licensing application for these premises.

I raise an objection in relation to the prevention of crime and disorder and public nuisance.

This area comes within the boundary of the Cumulative Impact zone(previously known as a Saturation Zone).

Greenwich Town Centre has many bars, pubs and restaurants a number of which generate noise complaints from local residents.

I acknowledge the previous history of this premise as a restaurant.

However I would still ask the Committee to bear in mind the right of local residents to to enjoy some peace and quiet in their own homes.

Cllr Maureen O'Mara.
