The Local Authority (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012: Key Decision / General Exception

In accordance with Regulation 10, notice is hereby given that a key decision is to be taken for which it has not been possible to give the required 28 clear days notice.

Decision being sought / subject matter	Eltham Crematorium – 3 years works programme procurement strategy
Decision Taker	Director of Regeneration, Enterprise and Skills
Date Chair of Overview and Scrutiny informed	27 November 2024
Expected Date of Decision	Tuesday, 10 December 2024
Documents to be submitted to the decision taker	Report of the respective Officer
Reason for Urgency and why it is impracticable to comply with the 28 day notice required under Regulation 9	Due to an administrative error a 28-day notice for this decision was not published when requested. The procurement strategy needs to be agreed urgently in order that the contract for works can be awarded in December. Any delay will result in slippage to the 3-year work programme and mean that works scheduled for Q4 of 2024/25 will be delayed until 2025/26.
