

Royal Borough of Greenwich Serious Violence Strategy: Draft Objectives

Objective A	Prevent young people from being drawn into violence or exploitation as either victims or perpetrators
Any comments on objective	
Objective B	Support young people already involved in violence or exploitation to sustain positive behaviour
Any comments on objective	
Objective C	Prevent and stop violence and exploitation through evidence-led and proportional disruption and enforcement
Any comments on objective	
Objective D	Safeguard locations where risk of violence or exploitation is higher by working with communities and stakeholders to address causes
Any comments on objective	

Objective E	Engage with communities to build confidence, resilience and trust in services
Any comments on objective	
Objective F	Address disproportionality and ensure equality of access to culturally-relevant support and services
Any comments on objective	
Objective G	Ensure frontline staff are confident to identify and support victims, including use of referral pathways to enable victims to benefit from specialist services
Any comments on objective	
Objective H	Ensure robust arrangements are in place to lead and monitor progress of the strategy and to adjust delivery to meet changing needs; ensure also that effective links are in place between the Safer Greenwich Partnership, Greenwich Children's Safeguarding Partnership, Greenwich Safeguarding Adults Board and Greenwich Health and Wellbeing Board to enable synergy in delivery.
Any comments on objective
